

PROFESSIONAL SERIES

# HYALURONIC ACID

+ XYLITOL + SLIPPERY ELM + CRANBERRY

*for Dry Mouth*

## Dry Mouth Mint Lozenge

Helps moisten a dry mouth with natural moisturizers and oral health support that comes from this totally unique breath-freshening mint.

- + Moisturizes dry mouth
- + Promotes oral comfort
- + Enhances salivary function

**Hyaluronic Acid (HA)** is known as "Nature's Moisturizer." HA's water-loving properties attract more than 1,000 times its weight in water, making it a moisture magnet!

**Xylitol** is a natural sugar that is actually beneficial to your teeth and supports healthy saliva production.

**Slippery Elm** is a commonly used herb in oral health. Its natural demulcent properties provide soothing and moisturizing benefits to your mouth.

**Orange Pectin** is a natural demulcent, orange pectin that adds moisture to the mouth and throat.

**Cranberry Extract** maintains healthy teeth and gums and helps to maintain proper moisturize balance in the mouth.

**Directions:** Place one mint lozenge into mouth and allow to dissolve.

**Warning:** Consult your physician prior to using this product if you are pregnant, nursing, taking medication or have a medical condition. Tamper resistant. Do not use if seal is broken. Keep out of reach of children. Store in cool, dry place.

*Hyalogic is all about the science of hydration and how high molecular weight Hyaluronic Acid (HA) hydrates and replenishes your whole body. Our vegan friendly HA helps maintain proper HA levels throughout the body.*

*Hyaluronic Acid is nature's miracle water-loving molecule that hydrates the whole body with its ability to absorb up to 1000 times its weight in water. The benefits gained from taking HA are quite unique to each individual and can be found throughout the body including the skin, joints, and eyes.\**
